I am not available during that week...meetings and travel...could we do it the week of August 5th? I am available all week, except from 10-12 on the 6th and the all day on the 9th.

Stephanie:

Can we schedule a call during the week of Aug 12 to discuss the background and reference definitions that you provided to the CPG in late June? The CPG has questions and some clarifications that we would like to discuss before finalizing the RARC.

Thanks
